

REMARKS

Claims remaining in the present application are Claims 1-20. Claims 1, 5, 12, 14, 15, 16, 17 and 20 have been amended. No new matter has been added as a result of these amendments.

The reply filed on 6/29/04 was not fully responsive to the prior Office Action due to matters of informality and omissions. In Claim 17, the term "invoking" was inadvertently not underlined, and the word "program" was omitted.

Applicants have made the necessary corrections to the term "invoking" and have entered the term "program" into Claim 17.

Applicants respectfully express their gratitude to the Examiner for pointing out the matters of informalities and omissions contained within the response to the prior Office Action.

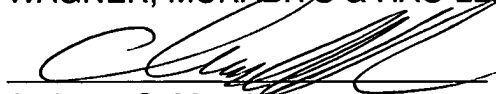

CONCLUSION

In light of the above listed amendments and remarks, reconsideration of the rejected Claims is requested. Based on the amendments presented above, it is respectfully submitted that Claims 1-20 overcome the rejections of record and, therefore, allowance of Claims 1-20 is earnestly solicited.

Should the Examiner have a question regarding the instant response, the Applicants invite the Examiner to contact the Applicants' undersigned representative at the below listed telephone number.
